# FAQs

## How many views we can get for each lecture?

Each Video lecture is restricted by Video Duration.

**1.5 times** duration of actual video duration.

For example - If actual video duration is 3 hrs then you get total 4.5 hrs duration to playback the video.

## How the playback video duration counted?

The playback video timer will only start when you play the video. You can do unlimited video play, pause, stop & on-off activities till your total video duration exhaust. Also no time will be counted for drag video timeline.

## What is the validity of entire course?

In brief, your video will be expired either you reach your video duration limit or 180 days validity whichever consume first.

## Do I need the internet to play the lectures?

No, you play the video offline. However you do require internet for VSmart software registration only once.

## Can I Play the video Classes on single laptop or Multiple laptops?

Vsmart Software licence is authorised for single user and single laptop only. and cannot be played on multiple laptops.

## Can I reuse the pendrive after finishing course?

Yes, you can certainly reuse the pendrive after finishing the course. Just format the PD and start reusing it. However we are not responsible for data loss after PD formatting

## What if, I lost my Pen Drive?

We strongly recommend to keep the backup of PD classes by copying on your hard drive just in case if you lost your pen drive or your pen drive stop working in between by any reasons. If this case happens, you can copy your classes back to another PD or HD and play back again. In all, your classes will run only via external PD or HD.

## What if, my laptop got formatted due to some reason?

### Can I resume the classes on same laptop?

Yes. You can play the classes on same laptop after formatting. For technical support plz email us - [contact@vsmartacademy.com](mailto:contact@vsmartacademy.com)
