Vsmart Academy: Smart Decision for Smart Education

Headquarters: Pune, Maharashtra, India | www.vsmartacademy.com

From a Single Classroom to a National Powerhouse

2005: The Origin

Established with a humble cohort of just three students.

Today: The Scale

Now trusted by over **50,000** students annually.
Grown from a single classroom to a network of **120+** centers.

V'smart has completely changed the trend of conventional studies, evolving into **India's premier coaching institute** for **Chartered Accountancy (CA), Company Secretary (CS), and Cost Management Accountancy (CMA)**. We are the first choice for students nationwide, renowned for pioneering 'Interactive Coaching'.

Replacing Rote Learning with Interactive Methodologies

Our Vision

“To revolutionize professional education by replacing conventional rote learning with innovative, conceptual, and **interactive** methodologies. We aim to make world-class digital education attainable for every aspiring student globally.”

Mission: To empower students with the best educational resources, cutting-edge technology, and expert mentorship, helping them emerge as competent industry professionals.
